This PUG Men's Shed Code of Conduct forms part of an overall policy designed to help us follow a set of values identified as being central to the shed's integrity.

Purpose of our Men's Shed

- Our PUG Men's Shed is a community-based, non-profit, non-commercial organisation providing a safe, friendly and healthy environment where men are able to work on meaningful projects at their own pace in their own time in the company of other men.
- To provide a supportive environment for men of all ages to gather, volunteer, work, teach, learn and seek friendship with other like-minded men.
- To promote and stabilise the mental, physical, emotional and economic wellbeing of people in our community.

To achieve this we:

- Maintain an open-door policy and we do not reject any person on the basis of race, disability, religion or age although some special conditions may apply.
- Act in the best interests of the shed and not pursue a personal agenda.
- Think collectively, not individually.
- Provide a safe physical environment.
- Provide a safe and supportive social environment.
- Respect the rights and decisions of members.
- Respect the confidentiality and privacy of members.

In the work environment of our Mens' Shed

- We do not tolerate abuse, bullying, violence, anti-social behaviour or infringements of the rights of others. Persons-indulging in this type of behaviour will be asked to leave the Shed.
- Members must conduct themselves in a courteous manner towards Supervisors, Management Committee members, key stakeholders and other users of the Men's Shed.
- Members must be considerate of other member's need for space, tools, materials and equipment.

In the event of conflict, there are formal policies and procedures that outline the courses of action to follow. These guidelines and associated documents are freely available for all members.
